The top of each mark will have items inside plastic grocery bags. Each boat should retrieve a bag from each mark and a crew member should promptly proceed to wear the items contained in the bags. Boat hooks may make this task easier.

9 SCORING/AWARDS

The first boat to cross the finish line in the above-prescribed manner shall be declared the winner. The winning boat will be awarded a whipped cream pie to use as desired, though rumors have it that the SBYC commodore makes a good target.

10 POST RACE

All participants are encouraged to join the raft-off at the lodge beach after racing is completed. If you can, bring a snack to pass between boats.
