From our Commodore

As I sit writing this, *Capricious* is sitting empty and ready to be put on the hard. I think we spent more time on the water this year than any past year enjoying our new boat and the fact that the kids are a little older and easier. So what did we do? We got a puppy...what were we thinking! I told our new puppy, Pete, that if he wasn't a good boat dog it was a deal breaker, he didn't say anything back so I assume he gets it. SBYC had a good year on the lake as well, I enjoyed our first ever Family Fun Day Raft Off and think it's something we should do again with more of you. While there was the usual amount of light and variable days, there were also a lot of really nice sailing days and races, thank you the race chairmen for a good year. Finally my whole family is looking forward to the 2017 SBYC Christmas Party at Salt Fork lodge. If you have never been there it is a large lodge with many cozy fireplaces; perfect for quick winter get away and party. The kids are excited about the indoor pool and staying overnight, be sure reserve your room, see you there!

Social Concerns

We have managed to stay pretty healthy for most of the summer or we have ignored our health issues because of other priorities.

Harper Mellott [*Fast Company*] spent 4 days at Trinity Hospital in Steubenville where he spent some quality time with his long time friend and cardiologist evaluating some ongoing symptoms. He was found to have a major cardiac artery 95% blocked and had yet another cardiac stent place [he thinks this is #9] and an additional stent placed within an existing stent. He sounded pretty worn out but you can't keep this man down for very long; the good news was that no surgery was required and released from the hospital. So glad he is on the mend and will be back in circulation soon!

Well wishes and cards can be sent to Harper: 3610 Bair Rd. NW, Dover, Oh 44622 or wbrebecca@roadrunner.com
